# WELCOME

And in a blink, it's December 2022. Notable additions to our 2022 included Kimura Glass from Japan and Sky-Watcher telescopes. We have enjoyed exploring the universe with Sky-Watcher Telescopes (**Page 19**) and have a better understanding of how an incredible hand-made Kimura Glass (**Page 13**) enhances your drinking experience. Later this month, our first Asko Wine Cabinet will arrive! You know it's going to be special when every delivery truck sparks our excitement.

We are blessed to represent iconic brands that make good moments better. With that in mind, we are happy to present this curated selection of gift ideas and look forward to seeing you for the 2022 holiday season!

# FOR THE MUSIC LOVER

Let us help find the perfect gift for the music aficionado on your list. James Frost has curated a selection of audio products designed to be placed, used and enjoyed in a variety of settings.

Give the gift of high quality sound for the home with Bang & Olufsen speakers and Elipson turntables. Or give them the gift of freedom to bring their favourite music wherever they go with Bang & Olufsen portable speakers and headphones.

**BANG & OLUFSEN PORTABLE SPEAKERS** From \$299.00

Compact and easy to move around, Bang & Olufsen portable speakers are the perfect way to take music with you wherever life takes you.

## BEOPLAY H95

**\$1,199.00**

Celebrating 95 years of heritage in sound, design and craft excellence. The Beoplay H95 headphones are crafted for the ultimate listening experience with long lasting comfort and effective noise cancellation.

**BEOSOUND BALANCE** \$3,599.00

The Beosound Balance is a wireless speaker with a dynamic acoustic performance designed to be positioned up against the wall on a shelf or side table in the home.

Different sound experiences for different needs. With its unique acoustic configuration of seven drivers, Beosound Balance is made to deliver a strong bass performance and a broad sound image for truly room filling sound when you want it.

**BEOPLAY HX****\$549.00**

The Beoplay HX offers a powerful and authentic sound experience with adaptive active noise cancellation, a comfortable, lightweight build, impressive call quality and up to 35 hours of battery life.

**BEOPLAY EX****\$529.00**

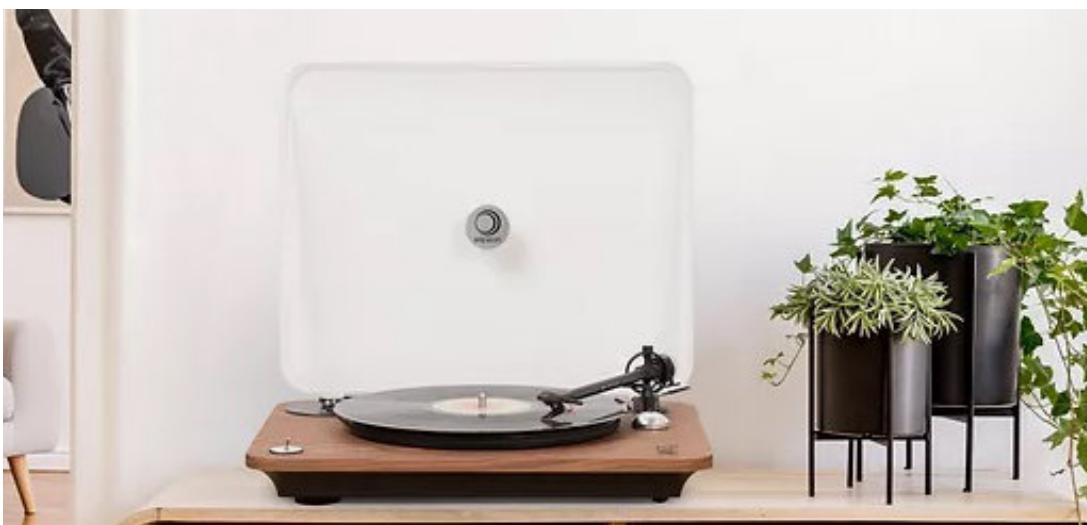

The Beoplay EX earbuds are as versatile as they are beautiful. These earbuds with wireless charging case and active noise cancellation bring exceptional sound along with a snug fit and long lasting comfort in one sleek package.

**BEOSOUND EDGE****\$4,750.00**

Beosound Edge is a compact and powerful wireless speaker, which through magical interaction, timeless design and cutting-edge acoustic innovation, offers a mesmerizing listening experience.

**BEOSOUND LEVEL****\$2,199.00**

Any room. Any position. Any moment. Beosound Level lets you move with your music in new ways at home, without ever compromising on sound quality. Enjoy a flawless listening experience in beautiful, portable form.

**ELIPSON TURNTABLES****From \$779.00**

Elipson turntables are designed and assembled in Saint Fargeau in the Yonne region (Burgundy). Each Elipson turntable is entirely hand-assembled and individually tested before being sent out to guarantee optimal performance.

These turntables incorporate features such as the carbon OTT (Orbital Torsion Tonearm) arm, integrated phono pre-amps and Bluetooth for a simple and high fidelity sound experience.

### BEOPLAY A9

\$4,599.00

The days of hiding your stereo are over. Bang & Olufsen created the Beoplay A9 like a beautiful piece of furniture — with carefully selected Materials and uncompromising attention to detail. The result is an iconic piece of music design that sounds just as good as it looks.

### BEOSOUND SHAPE

\$6,055.00

Beosound Shape is a wall-mounted wireless speaker system created for the design conscious music lover. The Beosound Shape delivers immersive sound staging, a fully customizable design and integrated noise dampers for improved room acoustics.

BeoSound Shape cleverly utilizes a setup with multiple speakers to deliver a concert-like perception of singer and instruments.

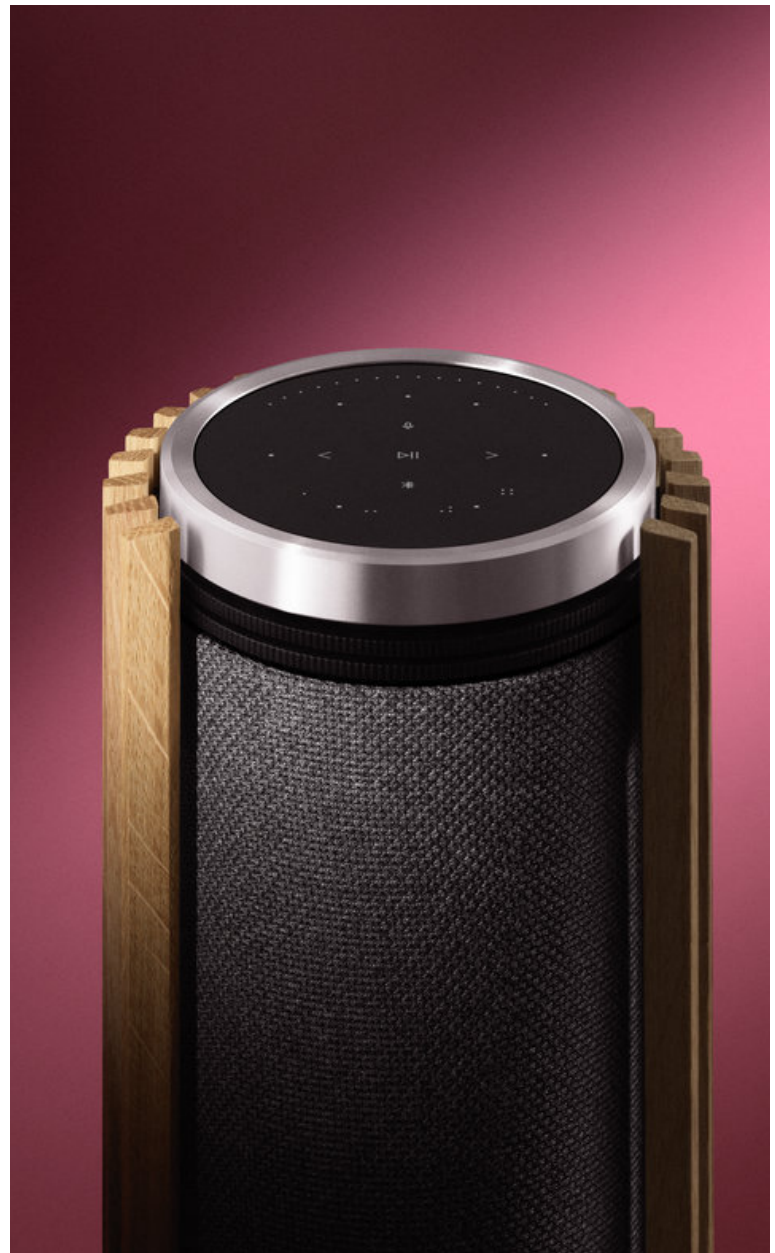

**BEOLAB 28****\$19,500.00**

Beolab 28 is slimmer, smarter and more surprising than any stereo speaker you've experienced before. Position it anywhere in the home and be immersed in powerful studio-grade sound that automatically adapts to your space. All in a beautifully elegant form that can be controlled with a touch.

Stream your favourite music using Chromecast, Airplay or Bluetooth. Beolab 28 works effortlessly with your preferred music services and has Bang & Olufsen Radio built-in for easy access to the stations you love. Connect with your home entertainment set up for immersive surround sound and enjoy movies and TV shows with uninterrupted audio and perfect lip-sync.

# FOR THE MOVIE LOVER

Give the gift of a personal home cinema experience and let your loved ones discover the thrill of a Bang & Olufsen TV with stunning sound and amazing picture. The possibilities are endless, and the experience is guaranteed to bring a smile to their face.

Bang & Olufsen's soundbars are engineered for superior acoustic performance. The powerful speakers deliver stellar stereo performance and crystal clear speech reproduction that will rival any cinema

**BEOVISION HARMONY**

**\$24,700.00**

Why let a blank screen rule your space, when you can have a piece of art? Sculpted from wood or fabric and aluminium, Harmony catches the eye and invites conversation even in standby mode. And when you're ready to watch, it puts on a show. The powerful speakers glide apart, the television floats into the space. A performance that takes movie moments to new heights.

**BEOSOUND STAGE****\$2,599.00**

Take the TV experience to a different level with Beosound Stage, a beautifully crafted soundbar that sounds as good as it looks. Beosound Stage enhances viewing pleasure with a combination of the latest in audio technology and seamless design – as well as being powerful enough to avoid the need for a separate subwoofer.

**BEOSOUND THEATRE****\$9,490.00**

All the power, clarity and immersion of a multi-speaker setup. But from one beautiful soundbar that slots in seamlessly with any screen. No black boxes, no cable clutter. Beosound Theatre reinvents what the home cinema experience can be.

# FOR THE ENTERTAINER

Hosting a get-together with friends and family is one of life's great pleasures. Find the right gift for the host or hostess in your life with our curated entertaining products.

The Dometic Mobar will be sure to impress with its versatile design and superb performance.

Kimura Glass will add a touch of elegance to the next event with handmade ultra thin glass from Japan.

The Asko Wine Climate cabinet combines cutting edge technology and a love for wine to make the perfect gift for someone who wants to display and enjoy their collection.

Or for that home chef on your list, nothing competes with the Big Green Egg Grills and Steaklocker Dry Age Refrigerator.

## DOMETIC MOBAR

From \$1,619.00

The Dometic MoBar is the ultimate mobile bar for your outdoor living space. Professionally graded with a timeless state-of-the-art patented design, it doesn't compromise style for functionality or convenience, allowing hosts and their guests to socialize outdoors without ever missing a moment.

Unlike built-in solutions, the Dometic MoBar is a fully mobile product, offering unprecedented levels of convenience. The MoBar is easy to move thanks to its heavy-duty wheels and ergonomic handle, so it can be placed right at the heart of any outdoor event.

## BIG GREEN EGG GRILLS From \$699.00

The Big Green Egg is much more than just a grill ... it's a complete outdoor cooking system engineered to be stronger, more durable and provide better heat retention than any other outdoor cooker on the market.

Convenience, ease of use and fantastic cooking results truly set the EGG apart. Once you taste the difference, you'll agree!

## STEAKLOCKER DRY AGE REFRIGERATORS

From \$1,999.00

The Steak Locker Smart Dry Age Fridge provides the easiest way to start dry aging at the lowest cost. Steak Locker Smart Dry Age Fridges come in three sizes allowing ease in choice of capacity and versatility.

With a meat aging fridge you can take your meat aging game to the next level by experimenting with beef, artisanal charcuterie, cheeses, even fish to achieve a new level of refinement and luxury.

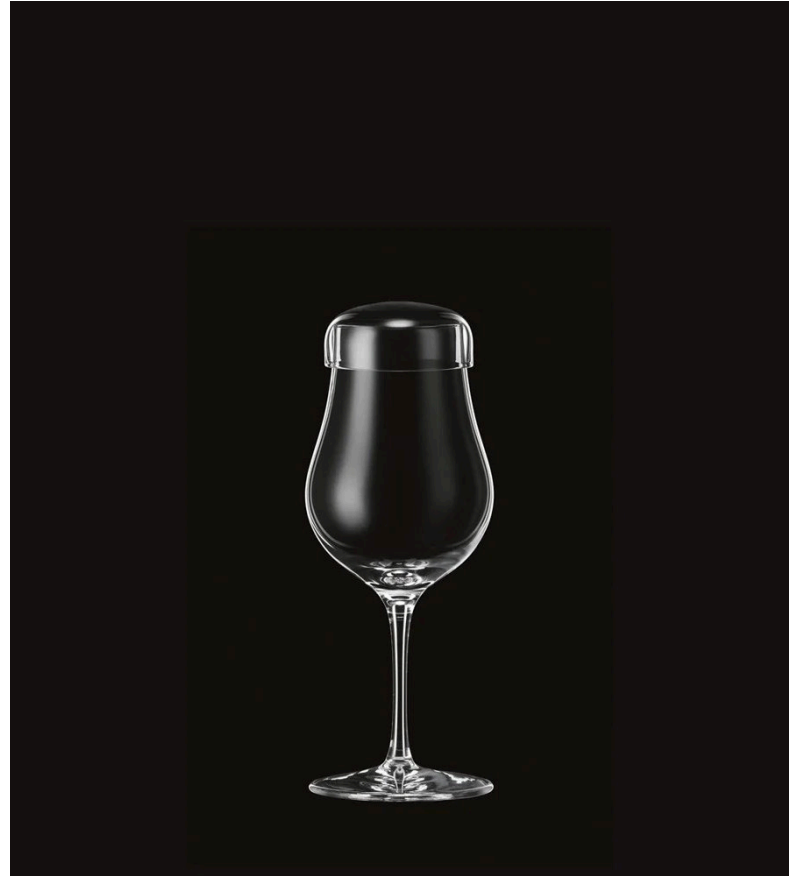

New to dry ageing? No problem. Steak Locker Smart Dry Aging Systems is more than a dry age refrigerator and provides an easy to use smart companion app, helpful guides, instructional videos as well as total monitoring software assisting the dry aging process along the way.

**KIMURA GLASSWARE**

From \$59.95

Kimura Glass is dedicated to creating super thin, lightweight, original masterpieces for wine, cocktails, whisky, and sake. This glassware was typically reserved for professionals in restaurants and bars in Japan. Now, we are happy to bring these products to you. With their skillful glass-working techniques, Kimura delivers a more tasteful experience that feels special.

# ASKO WINE CLIMATE CABINET

**\$16,549.00**

A freestanding wine climate cabinet with three individual temperature zones and a serving area where you prepare your wine for serving. The air is in constant movement, providing the same temperature and humidity on each shelf and there is room for up to 190 wine bottles. The bottles are safely resting on wooden racks with soft sliding telescopic rails and the door glass with premium UV-filter protects the wine from harmful UV-light. The soft LED lights are complemented with RGB back light for the serving area. You will have several functions as well as access to the vast Vivino database from your smart phone or tablet, from which you have a perfect overview of your personal collection.

## GET TO KNOW YOUR WINE

THE ASKO WINE CLIMATE CABINET FEATURES A RANGE OF CONNECTED FEATURES, BOTH VIA THE BUILT-IN UI AND VIA THE CONNECT LIFE COMPANION APP. THE APP IS CONNECTED TO VIVINO, GIVING ACCESS TO A WEALTH OF INFORMATION AT YOUR FINGERTIPS AND ALLOWING YOU TO LOG AND KEEP TRACK OF YOUR COLLECTION.

# FOR THE PHOTOGRAPHER

A picture is worth a thousand words – and yet can take our breath away. When it shows endless joy and saves the blink of an eye for eternity.

For 100 years now, photographers from around the world have been capturing once-in-a-lifetime moments with Leica cameras. Give the gift of captured moments that will be rediscovered and relived time and time again.

## LEICA C-LUX CAMERA

\$1,579.00

Sleek, stylish, and versatile, the Leica C-Lux is a multimedia digital camera well-suited for everyday shooting. Revolving around a 20.1MP 1" MOS sensor, both high-resolution stills and UHD video can be recorded. The sensor's design affords a top sensitivity of ISO 25600 to enable working in low light, and a top 10-fps shooting rate is also available for photographing moving subjects. Complementing the sensor's versatility is a 15x optical zoom Leica DC Vario-Elmar lens, which covers a 24-360mm equivalent focal length range for photographing in a broad variety of situations. This lens's reach is benefited by 5-axis optical image stabilization, which minimizes the appearance of camera shake for sharper imagery when working handheld.

## LEICA SOFORT INSTANT CAMERA

\$439.00

Leica has always been tied to the decisive moment, and now with the Leica Sofort, photographers will be able to instantly develop and hold a tangible copy of the image captured. The Sofort is a different style of camera for Leica, but offers the same high-end look and feel that we have come to expect from the high-end German company and which separates it from other instant film offerings. This camera works with a selection of INSTAX Mini format film, including color and monochrome offerings from Leica that sport a natural Warm White border. It is equipped with a capable Automatik-Hektor 60mm f/12.7 lens-equivalent to 34mm in full-frame terms-with a three-zone manual focus selector that will give photographers more control over the image's final appearance.

# FOR THE OUTDOORS LOVER

Give the gift of adventure and exploration with Wacaco coffee makers, Skywatcher telescopes and Leica sport optics.

Transform your loved ones outdoor spaces to provide indoor appeal with a wide range of Bromic patio heaters and Flame Genie smokeless fire pits.

There is something for every outdoor lover at James Frost.

## BROMIC PATIO HEATERS

From \$1,013.00

Bromic outdoor heaters are recognized all over the world for superior design and performance. From luxury hotels and leading restaurants to distinguished outdoor kitchens and exquisite backyards, Bromic outdoor heaters deliver the perfect balance of performance, reliability and beauty.

Available in distinctive collections, including portable propane, electric and natural gas options, every Bromic outdoor heater is constructed from premium materials to deliver outdoor heating products that provide the perfect balance of performance, reliability and beauty.

**FLAME GENIE FIRE PITS** From \$199.00

Be captivated by the mesmerizing flames while adding a warm glow to your patio, campsite, or outdoor adventure. Flame Genie's smoke-free and spark-free features make it the perfect backyard, stream-side, or wilderness fire pit companion for all outdoor enthusiasts.

Easily assembled and easily lit, the Flame Genie's streamlined design and simple operation provide enjoyment in a matter of minutes. Its efficient use of pellet fuel makes the Flame Genie convenient, portable and not subject to firewood transportation restrictions. Magnified by secondary combustion, the Flame Genie's captivating visible flames and substantial heat output never fail to impress.

Relax with the peace of mind knowing that Flame Genie's ash pan captures ash and ensures safety. When the fire goes out, it's out – there's no spontaneous combustion!

**WACACO NANOPRESSO** \$126.99

Packed with new features and capabilities, which will drastically improve the way you prepare your favorite coffee, Nanopresso is one of the best and most versatile espresso machines. A truly unique addition to your coffee toolkit! It is delightfully easy to operate and simple to use. With Nanopresso, the power is in the machine, not in your hands. After each shot, Nanopresso maintenance takes only a few seconds.

**WACACO PIPAMOKA**

**\$72.99**

Brew and drink from a single device with the Pipamoka all-in-one coffee maker. Simple and brilliant pressure brewer, it becomes super easy to enjoy freshly-brewed coffee during your adventures.

**LEICA MONOVID 8X20****\$683.00**

Offering style, elegance, and the optical performance you would expect from Leica, the Monovid 8x20 Monocular brings distant subjects in close and reveals the tiny details of nearby objects. Whether you're scoping a performer on stage, glassing the treeline for the Lord God bird, or investigating the intricate subtleties of a Nautilus shell – you'll be glad you didn't leave home without it.

The Monovid's 8x optical system features a phase-corrected roof prism and lenses with HDC and AquaDura coatings, to maximize light transmission and deliver a bright, sharp image. Inside the Monovid's cylindrical leather carry case there's a special pocket for a very special attachment – a close-up lens that allows 8x magnification at distances as close as 9.8".

**LEICA TRINOVID 10X25****\$753.00**

Inspired by their iconic full-sized counterpart, the Leica 10x25 Trinovid BCA Binoculars deliver the performance users have come to expect from the brand, but in a highly portable and easy-to-carry design. They are designed with a combination of phase-corrected BAK4 roof prisms, the proprietary HighLux system, and HDC fully multi-coated optics to produce bright and clear color-neutral images, while fitting comfortably in the hand for long, fatigue-free glassing sessions. The HDC coatings add abrasion-resistance to protect the exterior lens surfaces, and the lenses are also treated with AquaDura coatings, which make them easy to clean dirt, grime, oils, sap, and fingerprints without leaving residues that can interfere with views.

**LEICA TELEVID 82 SPOTTING SCOPE****\$4,678.00**

Offering superb optical performance in a lightweight and easy-to-manage package, the APO-Televid 82 Spotting Scope from Leica delivers brilliant insights into nature that are rich in detail and contrast. Its high-performance optics and compact form factor make it a natural choice for digiscoping as well as conventional viewing—there's a special camera adapter that allows the viewer to convert the Televid into a high-powered telephoto lens for long-range photographic applications.

Leica's legendary optical performance becomes quite apparent when viewing through the APO-Televid 82. Apochromatic color-accuracy, fluoride lenses for startling high-contrast imaging, full multi-coating throughout the system, and the addition of Leica's proprietary AquaDura protective coatings all combine to produce scenic wonder without compromise.

**SEVENFRIDAY SUNGLASSES**

From \$345.00

Featuring iconic designs, high quality materials and a #livesevenfriday attitude you will have no issues standing out with SEVENFRIDAY Sunglasses.

Staying true to SEVENFRIDAY all eyewear is designed in the Swiss HQ in Zurich and manufactured to the highest standards with the industries most trusted manufacturers.

**SKYWATCHER SKYMAX 102 AZ GTI**

\$920.00

Sky-Watcher's Skymax 102 AZ-Gti telescope is the perfect platform for those seeking a compact travel telescope capable of both manual and automatic exploration . Boasting a payload capacity of 11 pounds, this modular AZ mount can support anything from a small Maksutov or refractor, to a mid-sized DSLR for time lapse photography. Featuring the SynScan GoTo with 42,900+ object database. You can easily find exactly what you are looking for from the companion app on a mobile device.

**SKYWATCHER VIRTUOSO GTI 150P**

\$630.00

Sky-Watcher's all new Virtuoso GTI collapsible tabletop Dobsonian is the ultimate combination of convenience, flexibility, and light-gathering power – now with Wi-Fi! Ideally suited for both the beginner astronomy enthusiast looking for a first telescope and as a casual backyard/travel alternative for the experienced observer, this small scope boasts big views and is the perfect camping companion for your dark sky getaways.

# FOR THE CYCLIST

Let your loved ones discover the freedom of a Gocycle electric bike to help them explore their surroundings. The perfect gift for the cyclist on your list or keep them safe and stylish with a vintage inspired Thousand Helmet.

## GOCYCLE ELECTRIC BICYCLES From \$5,499.00

The world deserved a better electric bike and Gocycle designed it.

The GoCycle series of folding electric bikes are designed in the UK by the award-winning designer/engineer Richard Thorpe. From his previous job with McLaren cars, the GoCycle line of electric bicycles takes folding e-bike design and innovation to another level. Loaded with technology these electric bikes are both lightweight and fun to ride.

## THOUSAND HELMETS

From \$144.95

Designed for urban cycling and skating, the minimalist Thousand bike helmets are inspired by the simplicity of vintage moto lids and the heritage colorways of the 50s and 60s.

Thousand Helmets feature the most convenient way to leave your helmet behind and free up your hands while out exploring your city. Access the hidden channel behind the logo, and pop your U-Lock or chain lock through to lock the helmet to your bike.
